

# Safety skills for leading hands

## Free trade supervisors' course

**Are you a plumber who leads a small crew? Learn how to protect your mates' safety at work.**

### Who should attend?

Plumbers who typically supervise two to 10 workers daily on the job, and are interested in OHS.

### The benefit

Learn how to protect your crew's health and safety, and meet your OHS obligations.

### Duration

One day: 8.00am – 4.00pm

### Cost

Free (lunch provided).

Limited to 12 participants per course.

### Dates and venues

See right of page for confirmed course dates across Victoria. The course administrator will confirm local venue details upon booking.

**Call (03) 9356 8902 for more information or to book your place today You can also fax this completed form to (03) 9356 8929, or email [training@mpmsaa.org.au](mailto:training@mpmsaa.org.au)**
